"Five, four, three, two, one..."

WHAT DO SUPERINTENDENTS DO IN THEIR FREE TIME??

They try to fly automobiles, of course No, I mean race them. Not so with Paul Dias, Superintendent at Palo Alto Muni. --- It seems that June 11th Paul tried to fly his race car at the Santa Clara Fairgrounds. He tried forward, backwards, upside down, sideways, and then tried them all again, but who knows in which order.

Luckily Paul wasn't injured seriously, which we are thankful. Best of luck in your next race and mend those bumps and bruises for the tourney.
