

Golf

by Michael R. Clark, CGCS

The Highlights of our Christmas golf tournament have to include the good weather we had. Larry and his staff had the course in great shape for our group of 72.

Also included in the happenings of the day, have to be the eagle 3 Ken Sakai made on the Par 5 17th hole. Steve Taylor had his first ever Birdie on one of the par 3's. And our President Bob Ford had a net 66, considering all the distractions in his foursome, that is quite an accomplishment.

The totaled and signed scorecards were really appreciated, NOW if we could get everyone to post their scores on the green "Away" play sheet.
