MIRA VISTA GCC

Murray Nonhof, the Technical Representative for the past 10 years with Scotts Pro Turf, will be the host for the program. His topic "Soil testing from start to finish". He will take us on a visit to Harris Laboratories, one of the nations largest independent testing facilities. With more than one million dollars invested in equipment, we will be able to follow a soil sample as it arrives at Harris and finally finds its way to the recommendations and reports that result.
