Tom Pacheco, our host Superintendent, has been at Half Moon Bay since its inception. He was the first man hired by Ron Taborski in 1972, and has seen the facility develop into the fine operation it is now. In 1974 Tom was promoted to Assistant, then in 1979, became the Golf Course Superintendent when Ron was elevated to General Manager.

The greens and tees at Half Moon Bay are penn-cross creeping bentgrass built on a sand and nitro-humous base. The fairways and rough were a mixture of fylking and pennfine, although Tom has noticed that the pennfine seems to be the dominate grass in both cases.

**HOST: TOM PACHECO**

The facility, owned by Ocean Colony Associates, also includes single family homes and townhomes. The golf course plays a long 7,000 yards from the blue tees, and accomodates approximately 50,000 rounds of golf a year. The 11th hole has been completely rebuilt, and will provide yet another fine challenge for you golfers. Tom operates the golf course maintenance program with an 8 man crew, and in his spare time enjoys hunting, fishing, and softball.

**DIRECTIONS**

Take route 92 to Highway 1. Go South on Highway 1 two miles to Country Club Drive.
