

# PRESIDENT'S MESSAGE

KENNETH A. SAKAI, CGCS

See you in Half Moon Bay.

While driving across the Central Valley after our Rossmoor meeting (thanks again - Joe and staff), I began to appreciate the diversity that is peculiar to our Northern California region. The soil conditions, E.P.A. regulations, water, and our un-seasonal growing season. Our facilities range from our famous exclusive clubs, lesser known hidden "jewels", and to pitch and putt courses where horse racing is first and golf secondary.

With that degree of diverseness in mind isn't it amazing that we can get together once a month to share both common goals and professional achievement.

Our meetings are the bond that ties our Association together. Attend the meetings, participate both actively and vocally. Share your input!

*Ken*
