

MANY thanks to Rod Kilcoyne, his staff, and Diablo Creek GC for hosting our our January meeting. Everything was excellent.

THANKS to Kevin Orona for his fine presentation on how the NCGA rates the golf courses in Northern California. The laser is the new process being used for yardage but there are many other factors involved. Thanks again again Kevin for taking time out.

PRESIDENT elect Riley Stottern and Jim Prussa of the home office for the GCSAA were also present at our January meeting. Thanks for attending.

RE: Christmas Party - Thanks to Robert Muir Graves who also was a sponsor. Many thanks to WestStar Distributing for sponsoring the drink wagon at the golf tournament.
