

PRESIDENT'S MESSAGE

KENNETH A. SAKAI, CGCS

Thank you to all our participants at the Christmas meeting at Rancho Canada. The course, itself, survived both the rains, beforehand, and an odd assortment of a 100 or so golfers. While we didn't challenge any course records we did get to play 18 holes in some glorious, sunny weather. Thank you again to the staff of Rancho. . . Carl, John, and Shim. Special thanks to superintendent Tim Greenwald and wife, Hayes, for their help.

While in Monterey we set up our handicapping system with the NCGA. They will provide us with the same service they provide the PGA of NC. Myrtle can answer any questions in regard to our new service.

Mark your calendar for Jan. 9, 1986 where we will meet again at Diablo Creek in Concord. Until then, stay warm and have a very Merry Christmas.

Ken
