

PRESIDENT'S MESSAGE

STAN BURGESS, CGCS

Many thanks to Campbell Turner, his staff, and the staff at DeLaveaga Golf Course for their hospitality at our May meeting. I heard many fine compliments on the golf course and the facility.

This months meeting at Palo Alto Hills CC, will be a change in our normal operations as far as our meetings go. This will be an afternoon golf and a dinner meeting. Be sure and attend, it should be a nice change from the normal. Remember if you play golf, you must attend dinner and the meeting. You will be billed if you do not attend.

My apologies for being unable to attend the annual state meeting at Rancho Murieta. From what I hear from those who attended it was a complete success. Outstanding educational, great facility, great golf course, super hospitable staffs, and a

superb host in Rich Scholes. A job well done by the Sierra Nevada Chapter.

Our Superintendent/Pro Tournament is just around the corner, and remember it is a full field each year, so be sure and get your entry in early. See you at Palo Alto CC.

*Many thanks to Paul Sartoretto for his presentation at
DeLaveaga Golf Course.
