

PRESIDENT'S MESSAGE

KENNETH A. SAKAI, CGCS

A funny thing happened to me on my way through San Francisco. Our State Association showed its collective potential and we managed to run a very successful campaign. I owe many thanks to a wide variety of people, so rest assured that I thank one and all for everyones effort.

While meeting many delegates and other representatives from other chapters I found that most were concerned with the overall membership in mind. But a few stick in my mind . . . there were some that seemed to be on a personal crusade with their views and beliefs. While I agree that it is OK not to agree these few felt otherwise. Let us remember that we accept these ideas and responsibilities as a group therefore we must grow and move as a group.

I am looking forward to seeing everyone at Fairway Glen with a few more stories. Please get your reservation cards in early.

Thank you and see you soon.
