

BEST EVER

The 57th International Golf Course Conference and Show was a complete success. Near 11,000 in attendance is easily the largest ever. From the educational, to the opening session, trade show, and banquet was nothing less than sensational. Reports from all over the world have been only positive. Congratulations to the newly elected Board, exhibitors, speakers, and the GCSAA Staff for such a success. Many thanks to all the California Chapters.

* Congratulations to following on passing their certification: Tom Unruh, Del Paso, Bob Cox, Tilden Park, and Corey Eastwood, Green Hills.
