

PRESIDENT'S MESSAGE

STAN BURGESS, CGCS

I would first like to thank all of you for your support. I just hope that I can measure up to it.

We should all thank Ken for a job well done in the previous year. He has helped advance the GCSA of No. California a great deal.

I would like to make my goal for my term, 100% membership. I cannot do this alone, but must have the help of all members. If you know of a Superintendent that is not a member, go to him and encourage him to join. The more that belong, the stronger we will be. I would also like to encourage all members who are not a member of the National to join, there is something in it for all.

We had an excellent turn out at Richmond Country Club and a fine day for golf. I hope fun was had by all.
