HOST SUPERINTENDENT

FRANK BARBERIO came to California from Italy in 1960 and began work at Mira Vista Golf & Country Club in 1961. He was part of the maintenance crew for two years and became the assistant for the next twelve years. Frank became Superintendent in 1977.

MIRA VISTA GOLF & COUNTRY CLUB was designed and developed during the early 1920's. The course was originally nine holes and was known as the Berkely Country Club. It was later expanded to eighteen holes and then became private in 1934. The golf course is located in the El Cerrito Hills
