

# PRESIDENT'S MESSAGE

For those of you who thought I disappeared, no such luck. But I must say I have been rather scarce. I will be around more from now on, and hope to see everybody at future meetings.

In cooperation with the NCGA, a new internship program will be started sometime after the first of the year. All the details have not been worked out but it looks like a two year program. Applications are being prepared so if you know of someone, contact a member of the Board.

In closing let me remind you that the Board needs your input.

STAN BURGESS, CGCS
