The California Hospitality Room at the Hyatt in Phoenix at this year's National Conference was outstanding, as was evidenced by the tremendous turnout of people each and every night. Everyone seemed to enjoy it, especially after a day of seminars, meetings, trade show, and the like. It was very relaxing to drop by the California Room in the evening for some good hors d'oeuvres and refreshments, as you can see by Jim Ross, Paul Dias, and Rich Scholes. Many thanks to the sponsors of the room each night and to the many others that also sent in contributions.
