And how about our fellow member Mr. Fleming. It's been four months and "two majors" since the Open and they're still putting out articles regarding the conditions during the tournament. John and his associates have set a benchmark that the following Open superintendents will be hard pressed to meet. Congratulations.

The Lobster Draw

Each A/B member who has secured his paid up subscription to THRU THE GREEN by the Christmas Party will be eligible for 25 pounds of Pennsylvania lobster to be given away by a drawing. You must register for the 1988 Conference in Houston and be in attendance at the Golf Exhibit. The winner will be determined by the order of the draw ie. if number 3 and 4 are both registered for the conference and the Exhibit #3 will win.
