

PRESIDENT'S MESSAGE

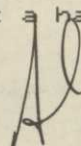

Many thanks to Bob Cox and his staff at Tilden Park for hosting our August meeting. A good time was had by all. Thanks to Mike Pechner of KNBR for some long range weather forecasting that could affect us all. Your presentation was a nice of pace.

Remember if you attended the meeting at Tilden, money for lunch was not collected due to a park rule. Your bills were mailed to you for lunch and drinks, please be prompt in payment. We thank you.

Your GCSA bills for the coming year will be mailed soon. Be prompt in your payment and if you know someone that is not a member get an application from Myrtle or one of the Board members and sign that person up. Remember it takes two Class A's to sign the application.

There will be a short letter and blank affidavit in the mail soon to all GCSAA members in GCSA of Calif. to sign your vote over to the State for a larger voting block. It is merely a formality to aid Ken Sakai in his reelection bid. You can pull your vote at anytime if you do not wish to vote with the State Association. If you don't vote with the State and don't vote with GCSA of No. Calif. which will be voting with the State anyway, for all intents and purposes. Please sign your affidavit and get it back in to Myrtle to show a strong Calif. Association.

Always remember our code of ethics among professionals. Golf abuse can be playing without the Superintendents knowledge or it can also be playing a golf course several times in a short period of time. Please do not abuse the use of your membership card. Don't make it a hardship on the Superintendents.
