

The Golf Course Superintendent's Association of Northern California is initiating an Information Referral Service which will be available at no cost to Golf Course Superintendents in the Northern California Region. The program is designed to aid those Superintendents who request help from the Association. A committee of Certified or Class A Superintendents covering the geographical areas of Northern California will be available to make a personal call to discuss maintenance and management problems, and to advise the Superintendent of other organizations and materials that are available. This program is not intended to replace other visiting services, but to provide help in and out of the organization for the betterment of the Golf Industry. Requests preferably should be made in writing, or in case of emergency, via phone to the GCSANC office.
