TROPHY WINNERS

Mike Clark, Jim Ross, and Mike Garvale were recipients of awards at the National's Golf Tournament at the Woodlands in Houston. Our Ken Sakai was the chairman of the event as mentioned in the President's Message. Don Naumann was nearly disqualified when he turned in a two day total after the first round. Congratulations should be given out however as he slashed some 23 strokes off his score on the second round. It must be noted that the rest of us couldn't tame the Texas courses either and were reduced to licking our wounds and consoling each other at the refreshment booth.
