GUEST SPEAKER FOR JULY

Brian Quill was born in Baltimore Maryland and attended Towson University. He moved to New York City and built custom sail boats. This is what brought him to the bay area. Brian obtained his California State contractor's license and began Quill Enterprises, Inc. It is an irrigation system repair service company. His current position is Landscape Irrigation Manager for Industrial Landscape Services, a commercial landscape company based in San Jose.

Brian likes to play tennis and snow ski. He recently took up the game of golf and looks forward to joining us at Sharon Heights.

OUR HOST SUPERINTENDENT AND HIS COURSE

The host Superintendent this year for the GCSANC Superintendent / Pro Tournament is **Ross Brownlie**. Ross started his golf course career at Peninsula G&CC in 1977 under Fred Mays. While working at Peninsula, Ross was involved with the NCGA Intern Program for two years. He has been the Superintendent at Sharon Heights for two years.

The course rating and yardage: Champ 73.2, 6850; Reg 70.9, 6434.

THANKS RICH

Many thanks to **Rich Eichner** and staff for the fine accommodations and food at the June meeting at Discovery Bay Country Club. Everything was first class.
