Woodbridge is a private 27 hole Country Club. The latest nine was built in 1974, Bert Stamp's was the designer. The original nine (River Course), was built in 1924 with member help-including a team of mules and Fresno Beade. The other nine was built Post-war in the early 1950's. The Mokolume River runs through the Golf Course. The course is divided into 3 sections, which are the Middle Course, River Course, and Lake Course. We will play the Middle, and River course for the meeting.
