PRESIDENTS MESSAGE**GCSANC SUPPORTS FIELD STATION RESEARCH**

The Golf Course Superintendents Association of Northern California (GCSANC) at a recent Board of Directors meeting, voted to enhance our contributions to fellow industry professionals by contributing \$4,500 to the University of California for use by Dr. Ali Harivandi at the Santa Clara Field Station. This program has been expanding steadily over the past few years with test plots of Tall Fescue, Zoysia, Buffalo Grass and the only National ranked complete set of Bentgrass Trials, just to name a few. In the past Dr. Harivandi has enjoyed the moral support of individual Golf Course Superintendents and it is befitting that we as an organization contribute to his ongoing efforts to provide research and educational opportunities to our group.
