

# A LOOK AHEAD

(con't from page 1)

With mental toughness comes a willingness and stubbornness to keep on trying, plus an enormous pride in individual performance on each and every down.

A good offensive lineman hangs in there and takes the shot, then lines up and does it again. His durability is impressive. They never miss a game or practice during the season. They can't. There cannot be any surprises.

Sounds very familiar, doesn't it?
