

## FYI

by Barbara Mikels

By now all of the dues renewal forms have been mailed. If you have yours ready to return make sure I get the questionnaire and your renewal check. You need both of these to renew your 1995 membership. Also note, this is due before January 1, 1995, or you are subject to a \$20.00 late fee. Make sure your accounting department checks the mailing address. I know it has been over a year since I moved my office but I still receive mail at the old address and the forwarding order will be expiring shortly.

Just a note about timely dues renewal...The dues renewal forms help us get your mail routed correctly and tell the board of directors what is new in your professional life. Have you become a superintendent since your last renewal? Were you promoted to assistant? We do not know about the changes in your life unless you let us know. This information is the basis of preparation of any and all changes so we can give you accurate information in the directory.

barn, members' lockers, and the mixed grills. This job started in April, 1994, and is expected to be completed in June, 1995.

The main clubhouse is not being replaced and the Pro Shop, cart barn and grill are in temporary structures.

**The Superintendent**

Dave Sexton, CGCS, has been the superintendent for the Meadow Club for thirteen years.

He got his start in the business by working at the Paso Robles Golf and Country Club while a student at Cal Poly in San Luis Obispo. After graduating with a B.S. degree in Ornamental Horticulture, he spent four years as the superintendent for the Ojai Valley Inn before moving on to the Meadow Club.

David has been married for over 20 years and has an eight year old daughter, Sasha, who has already taken up golf -- and will probably soon be beating her dad who has never really mastered this game, though he loves to play.
