superintendent's job. Mother Nature rarely makes life too easy for the superintendent and problems can always be anticipated somewhere on the golf course. Threatening the golf course superintendent with his job will not change this situation.

For superintendents, it is important to keep things in perspective and realize that the majority of golfers appreciate the condition of the golf course, even though they may not say it often enough. Hopefully, more golfers will come to realize that golf is not only a GAME -- it's also the superintendent's livelihood.
