

Dear Spouses,

We have a Christmas present for you ... if you don't want to play golf at the Meadow Club the day after the Christmas Party, we have arranged a private SHOPPING TOUR of SAN FRANCISCO just for you.

This company has been directing "inside information" Shopping Tours in Hong Kong and Europe for over 15 years and they definitely know their way around San Francisco.

You will have access to wholesale clothing and gift manufacturers and importers that are normally closed to the public - these are not outlet stores selling seconds or overruns.

Tour Highlights:

A private modern bus transports you from the Hotel to all the 6 shopping sites and back.

On the bus there will be a free prizes, snacks, drinks and Christmas music.
