

IN MEMORY

It is with heavy heart that this newsletter must notify the membership of the passing of **Grady Simril**.

A member of this association for over 30 years, Grady was the President of GCSANC in 1979. He actively served the Board of Directors and this association for many years.

Grady was employed by the East Bay Regional Park District, overseeing the golf course at Tilden Park. He was also very active in the Northern California Turfgrass Council, having served on that Board of Directors, as well as being instrumental in the successful development of the NCTLC as a professional organization.

In 1991, Grady was presented The George Santana Distinguished Service Award, by GCSANC in appreciation of his year of dedicated service. He is survived by his wife, Helen.

We will miss you Grady. Rest in peace.
