Search For Scholarship Recipients

The Golf Course Superintendent's Association of Northern California is searching for future golf course turfgrass professionals who qualify for scholarship funds. These funds are available to students taking classes related to the turfgrass industry. Currently employed golf industry workers that are taking classes or full time students with prior golf course experience are strongly encouraged to apply. Each candidate must be a current resident of Northern California, but may be attending school outside of our region. Any interested party may contact Wayne S. Lindeloff, CGCS, at 510-706-4225 or Barbara Mikel at 916-626-0931. In addition, if you or your crew members are interested, application packets will be mailed to GCSANC members in August.

Deadline for completed packets is November 21.
