

## Office Notes

By Barbara Mikel

Maybe by the time this newsletter is out to the membership, some golf has begun to be played in the Norcal region. I can't believe this year! Snow on April 13 at the office?

Hope you have taken the opportunity during this dismal weather to get on the Internet and see the CGCS web site ([www.gcsaa.org/cgcsa](http://www.gcsaa.org/cgcsa)). Bob Tillema, CGCS and all involved are to be congratulated on a "job well" done. Next, you will hopefully be seeing that the various chapter information built into the site. I was impressed with the "links" available from that page. I am sure the Board is open to suggestions regarding info you would like to see there. Why not give a call to let us know what you think should go on the page. Membership applications, meeting schedules, reservations, job notices equipment for sale wants and discards? The possibilities are limitless.

Since we have members coming into the Association all year, it is a good time to review meeting reservations, registration, and payment. We mail meeting notices and reservation forms to you so they can be processed before the meeting providing receipts and depositing funds for meeting expenses. On the reservation form is a courtesy listing for "Confirmed Foursome." We ask each member to provide a reservation for the meeting including payment for himself and guest if any. We also ask the "confirmed foursome" box be completed with index and name of players you have "confirmed" are coming to the meeting. It gets extremely time consuming for me and the golf chairman to try to decipher people placed in the foursome box if we don't have the reservation for that person. Please do not use that box for "I want to play with Joe if he is coming". Call him and make sure that you are all going to play or leave the foursome area blank. The golf Chairman will pair you if you do not fill in the section.

## Supporter Listing

### SCOTTS PROTURF

Fertilizers - Poly S and new Triaform technologies Herbicides, Fungicides, Seed, Soil, tissue, water and turf disease testing.  
Chuck Dal Pozzo, Sr. Tech. Rep. **209-833-1223**
