

California Hospitality Suite a Success in Dallas

The California GCSA Board of Directors would like to thank everyone who helped at the Hospitality Suite check-in tables. A very special thank you to Brenda Warner, Michelle Blackman, Tina Kramer and Bill Blackman, who devoted three straight hours helping with participant check-in.

The 2001 California Hospitality Suite has gotten great reviews. The Dallas World Aquarium allowed attendees to have a spacious and pleasant atmosphere to converse with old and new friends and view-amazing aquarium exhibits.

We had 550 participants, of which there were 54 guests. The California GCSA would like to thank all 62 Hospitality Suite Sponsors. Without their generous support the California Hospitality Suite could not be possible.

The 62 sponsors are listed below.

Manatee Club
 Best/Simplot Turf & Horticulture
 Shark Club
