Located on beneath the rolling hills of Mt. Diablo lies Blackhawk Country Club, where prized thoroughbreds graced the land for decades.

Blackhawk Country Club invites you to play and enjoy legendary golf with country club service. Located in the East Bay, adjacent to Mount Diablo, Blackhawk is an ideal venue for corporate events, charity tournaments, and golf outings.

In the early 1900's the lush rolling foothill expanse of Mt. Diablo became known as Blackhawk Ranch, where prized thoroughbreds graced the land for decades. Years later, this natural splendor inspired a vision of luxury living, and in 1979, a new Blackhawk was born.

Today, as you enter the peaceful world of Blackhawk Country Club, you will drive past lush landscaping and luxurious homes to two magnificent golf courses and clubhouses: the Lakeside and the Falls, surrounded by acres of stunning open space. Blackhawk Country Club membership is limited and by invitation only. Proprietary members have equity in the assets and property of the Club and enjoy reciprocal privileges at many private golf and country clubs. We invite you to visit Blackhawk Country Club ... *The ultimate social and recreational environment.*
