## Cal Poly Turfgrass Field Day Friday, October 1, 2004

You are cordially invited to the inaugural Cal Poly Turfgrass Field Day on Friday, October 1, 2004, at the Environmental Horticultural Science Unit on the Cal Poly campus in San Luis Obispo, CA. Results from current research will be presented from 9:30 A.M. until 12:00 Noon, with complimentary breakfast provided beginning at 8:00 A.M. Focus of the event will be the discussion of anthracnose and dollar spot control and current research on new annual bluegrass cultivars from Penn State. Additionally, our students will be available to discuss research related to their senior projects. Continuing education credits have been applied for with the California Department of Pesticide Regulation for PCAs and Qualified Applicators. Parking permits are required and will be available from students at the parking lots above the sports complex.

Prior to the field day, a wine & cheese reception will be held on Thursday, September 30, 2004, from 6:00 P.M. until 8:00 P.M. at the Cal Poly Crops Lab. We encourage you to bring along your spouse and enjoy San Luis Obispo, CA.
