The California GCSA reception held in Orlando, FL, in conjunction with The Golf Industry Show brought together GCSANC Member Mike Basile-Santa Clara GC and GCSANC Member Ken Williams-Stanford University GC.

In Orlando, FL, at the California GCSA reception, State Association Manager Bob Tillema, CGCS, speaks with Mike Bailey of SuperNews about the recently redesigned and enhanced state association website: [www.california.gcsa.org](http://www.california.gcsa.org).

GCSANC Member Chris Dubas of Santa Teresa GC toasts one up with GCSANC Affiliate Member Andy Slack of Spot Water Management during the state reception in Orlando, FL.

Lights, Camera, Action. GCSANC Association Manager Barbara Mikel takes time out for a brief television interview with chapter communications rep Emmy Moore Minister on the floor of the Golf Industry Show. An advocate for all GCSANC Members, Mikel explains the vital role of today's golf course superintendent.

Standing united and committed to the future vitality of golf in California are allied golf leaders (l to r) NCPGA President Mike Mazzaferrri, California GCSA President Pat Finlen, Golf Industry Advocate George Steffes, NCGA CEO Paul Porter, and SCGA Assistant Executive Director Kevin Heaney

The California Alliance for Golf met in Sacramento, CA, to discuss key issues impacting the future of golf, i.e. water conservation, environmental planning, legislative advocacy, community education and growth of the game.
