OFFICE NOTES

**Barb Mikel,**  
GCSANC Association Manager

Looking for a new position? Your GCSANC membership provides a job availability notice. Golf courses, superintendents and industry partners seeking employees frequently request this service. Last year we averaged one notice every two weeks! Distribution is to all active dues paying members via e-mail or fax.

Following each distribution, I receive some "undeliverable mail" or rejected fax numbers. We do attempt to check out the bad addresses but are not completely successful. As the Internet world adds more security and junk mail filters, more of the e-mails are "bounced." Some of you are unintentionally screening communications with the association via your personal e-mail filters. Some clubs and company web sites also filter your communications without your knowing. So if you haven't been receiving these notices, and would like to check for up-to-date information, please call or e-mail the office.
