OFFICE NOTES

Barb Mikel

GCSANC Association Manager

It has been a busy spring, summer and now, fall. Looking back to March, I was asking for volunteers for the 75th Anniversary Committee. Well, GCSANC association members answered the call. The group was a good one! My thanks go out to all of you who participated in each and every way. There are some very talented younger members in your association as well as some very gifted "experienced" ones.

The California GCSA meeting in Monterey November 12-15 should be a good one. The education program is excellent and it is a good time for a relaxed golf tournament. Monterey is a favorite get-away, hope you can find time to enjoy it.

Membership renewals are on the way. Please make every effort to get all your updated information back to the office. The changes necessary are on the renewal form. Please make sure it's returned with your payment. You will receive two copies. One is for your office and the other one is to return to GCSANC.

See you in Monterey!

2007 Institute Planning Committee Members gather for a quick photo near The Course at Wente Vineyards. (L to R) SNGCSA – GCSACC Association Manager Irene Cline, Co-Chairman Steve Byrne, Host Superintendent Glenn Matthews, GCSANC Association Manager Barbara Mikel and GCSANC President Jason Green.
