

SUPERINTENDENT-PRO EVENT

The 2007 Superintendent-Pro Event was a success due in great part to the sponsorship support of E-Z-GO-Extron. Just prior to teeing it up are (L to R) Western U.S. E-Z-GO Branch Manager Mike Riddle, Motivational Speaker Jim Tunney and Western U.S. Sales Manager Dave Mills.

Host Superintendent Dave Sexton from the Meadow Club proudly displays the autographed football that was presented to the "Dean of NFL Referees" Jim Tunney (center) after his dynamic speech focusing on Team Building: How to be a Successful Team Player. Joining Dave and Jim for the photo was (right) GCSANC President Jason Green.
