

PRESIDENT'S MESSAGE

First of all, I would like to congratulate Mike Clark on his fine year as President. Our association established a very positive image under his leadership. My congratulations also go to the newly elected board members. I will look forward to working with all of you this coming year.

1985 will present us with a very exciting and challenging year. The hosting, along with our California counterparts, of the GCSAA Annual Conference and Show, and also the planning of yet another Northern California educational program. All this while maintaining our positive growth among association members.

With these projects in mind, I am going to propose that we create a long-standing committee that will supplement the boards energies and actions into our most creative undertakings.

For lack of a proper title it would be called our standards committee. Long term projects, such as by-law revisions and educational projects could be formalized here and then presented to the board. This committee would remain in effect for a period of no less than 3 years and give our association the continuity and stability of solving and creating our long range goals.

The current board and committee assignments are as follows:

VICE-PRESIDENT - Stan Burgess, CGCS

SEC./TREASURER - Sam Singh, CGCS

BOARD of DIRECTORS - Paul Dias

John Grant

Jim Ross

Al Schlothauer

PAST PRESIDENT - Mike Clark

CLASS F AFFILIATE - Mike Ginelli

Naumann's Norcal News

by Don Naumann

STEVE CARLTON, CGCS, has accepted the Superintendent position at Gilroy Golf Course. He is acting as a contractor for the City of Gilroy. With the City's plan of expanding the golf course, Steve plans on being around for a long time.

ART SNIDER has accepted the Superintendent job at Hidden Valley CC in Reno. Most recently he has been the Superintendent in Tuscon, Arizona.

FRANK MURPHY, longtime Supt/Mgr at Gilroy Golf Course recently passed away at his Christmas Tree farm in Washington.

HOST: JOSEPH A. RODRIGUEZ

Joseph Rodriguez started his horticulture career in Antioch, CA in 1959. In 1969 he went to work for Contra Costa County in the Landscape Division. He progressed to the Chief Gardener position where he was in charge of all landscaped and turf areas within the county's jurisdiction. While with Contra Costa County, Joe graduated from Diablo Valley College with a degree in Ornamental Horticulture. He also attended Los Medanos College for two years and possesses a State Contractor's license for Landscaping. Currently he is enrolled in St. Marys College and working toward his Bachelor's degree. Joe has been

Superintendent at the Rossmoor Golf Course since 1978.

ROSSMOOR is a planned adult community that was first opened in 1964. Presently there is a population of 8,400 residents whose age averages 74.5 years. The community has many advantages. Among them is a medical clinic and the Rossmoor Security force.

The maintenance and management of the Rossmoor community is administered by the Golden Rain Foundation.

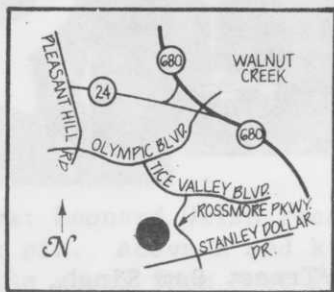

The Rossmoor Golf Courses are private and consist of an 18 hole south course, and a 9 hole north course. In 1975 a new nine holes was designed by Robert Muir Graves, and put into play. The new nine was worked into the old nine for 18 holes. So we have a combination of new and old on the south course and the north is the original front nine.

The south course is rated at 67.3 from the white tees and the course length is 5,765 yards. The cart paths extend from tee to green and carts are restricted to the paths. There is also no rough. This is to facilitate play because of the age factor. We mow approximately 175 acres of fairway twice weekly. In the past two years we have averaged 88,000 rounds of play per year. Greens #8 and #11 have been rebuilt and new bunkers installed to the right side of #6 green south and #15 green south. We are currently in the bidding process for the installation of a computerized irrigation system for 18 holes.

The Golf Pro at Rossmoor is Norm Oliver, with whom we have a very cooperative working relationship.

13th Hole Rossmoor

ROSSMOOR C.C.

DIRECTIONS

From the South - 680 North to South Main Street off ramp. South Main to Newell Avenue. Left on Newell to Olympic Blvd. Left on Olympic to Tice Valley Blvd. Left on Tice Valley to Rossmoor.

WINNERS BE PREPARED TO SHOW YOUR CURRENT HANDICAP CARDS. . . .

GOLF cont.

Members must have a current handicap to win. You must be a club member to have a handicap. The easiest club to join is your own--most Boards of Directors like to know their Superintendent is a golfer.

Otherwise join the Men's Golf Club at the nearest public golf course. Most (like San Mateo, Palo Alto, San Jose, San Leandro, Livermore, etc.) are very reasonable, and American Golf Clubs even throw in a free sweater with your \$55 membership (Mountain Shadows, Tilden Park, Riverside, and others).

Join your club! Get a handicap! Be a golfer/winner!
