

PRESIDENT'S MESSAGE

STAN BURGESS, CGCS

I would first like to thank all of you for your support. I just hope that I can measure up to it.

We should all thank Ken for a job well done in the previous year. He has helped advance the GCSA of No. California a great deal.

I would like to make my goal for my term, 100% membership. I cannot do this alone, but must have the help of all members. If you know of a Superintendent that is not a member, go to him and encourage him to join. The more that belong, the stronger we will be. I would also like to encourage all members who are not a member of the National to join, there is something in it for all.

We had an excellent turn out at Richmond Country Club and a fine day for golf. I hope fun was had by all.

COMMITTEES for 1986-1987 are:

Membership - Pete Bibber

Golf - Rod Kilcoyne

State - Ken Sakai/Jim Ross

National - Ken Sakai/Cliff Wagoner

By-Laws - Rod Kilcoyne/Al Schlothauer

HOST SUPERINTENDENT

CAMPBELL TURNER was introduced to golf course maintenance work as a crew member at Beaver Creek CC in Hagerstown, Md. Returning to California after three cold eastern winters, he was hired as a greenkeeper at Spyglass Hill in Monterey, taking part in course maintenance during a PGA Championship as well as a Crosby Pro-Am. Leaving Spyglass to attend Cal-Poly, Pomona, he received a B.S. in Ornamental Horticulture in 1980. Campbell has been employed as a Senior Greenkeeper for the City of Livermore and as Foreman at San Jose CC. before landing the Superintendents job at DeLaveaga in 1983. His hobbies include fishing, golf, and sailing.

DeLaveaga Golf Course is an 18 hole par 72 facility owned and operated by the City of Santa Cruz. Opened for play in 1970, the Bert Stamps design follows the heavily wooded ridge tops of the Santa Cruz Mountains. Narrow fairways, forced carries, and lateral hazards make the course a true challenge despite a length of only 6001 yards. Each January, DeLaveaga hosts "The Great Birdie Shootout", a celebrity Pro-Am that attracts many of the top names from the PGA Tour and show business for the benefit of junior golf. Last year's golf rounds at DeLaveaga totaled 90,000.

From Monterey - Hwy 1 toward Santa Cruz. Morrissey Blvd. exit, take first right before crossing Hwy 1 & follow signs to course.

PAUL SARTORETTO, earned his Ph.D. in organic chemistry in 1937 from Notre Dame. In the 1940s, he developed PMAS, a fungicide for selectively controlling crabgrass on bentgrass greens. That launched the Cleary Corp. Dr. Sartoretto developed many other chemicals. He began advocating mixtures of fungicides and herbicides to obtain a broader spectrum. He has developed rules and guidelines to help golf course superintendents mix pesticides safely. He emphasized conversion of wetttable powders to liquid flowables to protect chemical operators from deleterious exposures. He developed a stable, flowable liquid ureaform called FLUF, a form of organic nitrogen that can provide slow fertilization without burn regardless of temperature. (from Golf Course Management)

AWARDS: SUPERINTENDENT OF THE YEAR -- Ken Sakai, CGCS

EXCELLENCE IN TURFGRASS ----- Jim Ross

CLASS F MEMBER OF THE YEAR -- Mike Ginelli

25 YEAR PINS ----- Gurmit Sandhu - Thomas Caranci - Jerome Faller

HONORARY MEMBER SELECTED - The Board of Directors of the GCSA of Northern California voted Mr. Bert Graves (H.V. Carter) as an Honorary Member for his work and support of the many years. Congratulations. and Thank you.

The Annual Meeting at Richmond CC was attended by nearly 60 voting members. That is nearly a 50% turnout which is good, it shows there is plenty of interest in our Association. It would be nice to have 70% - 80% if at all possible. An excellent job was done by Stan and his staff as well as the club staff. An excellent lunch, a good golf course, and great weather made for an outstanding day. Thanks again Stan for your hospitality and congratulations on your election.

Thanks for a great year Ken, you did a great job as President. Thanks to John Grant, CGCS (Just recently acquired) for his 2 years as a Board Member. Also thanks to Jim Ross for his year as a Board Member.
