

PRESIDENT'S MESSAGE

ALLAN SCHLOTHAUER, CGCS

Many thanks to Brian Morris, his staff, and Silverado Country Club for hosting our Annual Superintendent/Professional Tournament. As in the past few years we again had a full field. A 144 players began on the South Course under ideal conditions. With some tough pin placements and quick greens, the course played tough for most of us. The winners seemed to handle it all right. Congratulations to all the winners who played exceptionally well.

This year we tried a new form of scoring, via computer. The scoring on the computer seemed to work rather well. The delay in the scoring came when scorecards had to be rechecked due some mix up on how the scores were to be posted. I assure you it will be corrected and run smoothly next year. Many thanks to Tom Jackson for helping in the scoring using his computer.

Also, many thanks to Dr. Pete Zidnak for taking time out to give a nice presentation on some of the rules that Superintendents must be aware of on the golf course. Thanks to all who attended and made our tournament a success. See you next month at Tilden Park.

Serious - You bet. A couple of them even got their feet a little wet.

Supt. Low Net - Steve Good

Tom, at least the creek is dry.

Two Interns Join Poppy Hills Staff

Wayne Lindelof

"Clay" Smith

Two Cal Poly of San Luis Obispo graduates joined the Poppy Hills Golf Course greens staff May 1.

William "Clay" Smith, 26, and Wayne S. Lindelof, 25, were the recipients of NCGA's internships. The intern program was reinstated this year after a five-year suspension during the construction of Poppy Hills.

Smith and Lindelof will be on the staff at Poppy Hills for one year. They then will move to other golf courses for one more year to enhance their knowledge in different environments.

The selections were made in cooperation with the Golf Course Superintendents Association of Northern California. The interns will be paid with funds budgeted from NCGA dues.

"After an extensive selection process, these two young men were selected from many outstanding applicants," said Bob Eirich, chairman of the NCGA's Green Section. "We hope they will continue a successful program and a couple of years from now we will have two well-trained green superintendent candidates."

Chief Executive Officer John Zoller reports Smith and Lindelof will work under the supervision of Poppy Hills Green Superintendent Paul Colleran.

Smith is a native of Pebble Beach. He attended Oak Grove High School in San Jose before matriculating to Cabarillo College in Aptos and then to Cal Poly.

Lindelof, who lives in Folsom, attended American River College in Sacramento prior to his schooling at Cal Poly.

TILDEN PARK GC

HOST SUPERINTENDENT

Our host Superintendent for August, Bob Cox, CGCS, came to California from Indianapolis, Indiana in 1960 to join the Air Force. After being stationed at Mather Air Force Base in Sacramento he became a PGA apprentice and was a PGA member for 17 years working at Haggin Oaks Golf Course, Green Valley CC, Vallejo Golf Course, and Green Tree Golf Course. He became Superintendent at Vallejo Golf Course in 1980 and in 1983 started at Tilden Park. Bob is married with two fine daughters.

TILDEN PARK GOLF COURSE

Tilden Park was designed by Bill Bell and opened in 1936 after two years of hand construction by 140 WPA workers. In 1971 American Golf leased the course from the East Bay Regional Parks District. At that time it was the third course to be acquired by American Golf which now operates nearly 100 courses. A crew of seven full time and two part time employees maintains the course which is open seven days a week and has about 75,000 rounds of golf per year.
