

# THRU THE GREEN

THE OFFICIAL PUBLICATION OF THE GOLF COURSE SUPERINTENDENTS ASSOCIATION OF NORTHERN CALIFORNIA

AUGUST 1992

## 1992 SUPERINTENDENT/PRO TOURNAMENT

Lake Merced Country Club, July 13, 1992

What a good day everyone had at Lake Merced Country Club for this years Superintendent/Pro Tournament. To start off the basic idea of the tournament, which is to build on a good working relationship between important people at your facility, is a great concept. This is an avenue that everyone should take advantage of. The good spirit of competition can help draw people together.

Now the facility was real nice, lunch and dinner were delicious. The staff did a great job with everyone. The golf course was in excellent shape. Lou Tonelli and his staff just did a great job with the course. The greens were increasing fast.

Basically if you missed this years event you missed a good day, with some good people on a great golf course.

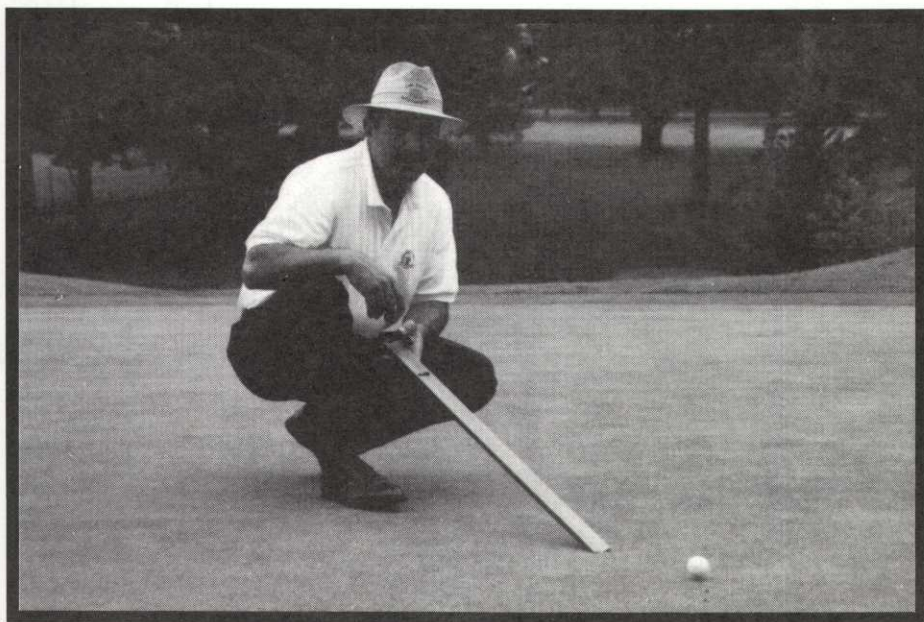

Now to the golf. Some familiar names for the Superintendents individual trophies. Ross Brownlie won the Low Gross division with a good solid 77. Then in the Low Net a guy who most people new would win. He's the Don Naumann of the Superintendents, Lou Tonelli won with a 90 which is a net 66.

In the team events we had a lot of ties. The Supt./Pro team through matching cards went to Bob Dauterman an his pro Barry Brumfield with a 65. The four man team was also a tie and went to San Jose Country Club. The boys from San Jose came to play this year!

Somewhere in the shuffle there were some prizes for closest to the pin on hole #6 won by John Flachman. The straight drive went to Greg Meisner. The big hitter who won the long drive was Tim Thilo.

It was a fun day on a good golf course. Everyone had a good time. Next years event should be every bit as good so get your teams ready.

Article by Michael Basile, Chairman of this year's event. Pictures by Carey Krefft, NCTC Farmtech.
