BENTGRASS TRIALS FIELD DAY

AUGUST 27, 1992

10:00 am - NOON

SUNNYVALE MUNICIPAL

GOLF COURSE

In conjunction with University of California Cooperative Extension, GCSANC will be conducting a professional turfgrass field day to review the bentgrass plots located at Sunnyvale Municipal Golf Course.

The above event is for golf course superintendents and will be held outdoors at the bentgrass plots at Sunnyvale Municipal Golf Course between 10:00 am and noon. This is the only bentgrass trials on the west coast being evaluated for National Ratings. Please join us!
