

JAVIER CAMPOS

Javier is currently working at California Golf Club in San Francisco with Thomas Bastis, CGCS as his mentor. Currently an assistant superintendent helping to manage the daily golf course maintenance operations, he has attended California State East Bay and Skyline College and is currently attending Rutgers University with a major in Turfgrass Management. His academic advisor states that Javier has “rightfully earned the respect of his classmates, facility members and is assuming a leadership role among his peers. Javier enjoys his position as assistant superintendent being able to train employees.” Javier states, “I want to be in the golf industry to exercise all the things I’ve learned as well as contribute my own ideas on how the game can improve through better management practices.”

BRIDGETT CREENICA

Bridgett, daughter of member Jessie Creencia, CGCS, is currently attending Cal Poly San Luis Obispo with a major in Recreation, Parks and Tourism Administration. She enjoys customer interaction and has worked in the food and beverage industry at both Starbucks and Sizzler learning the different intricacies of these businesses. She chose this career because she enjoys event planning and organizing events. “I find joy in helping people get what they desire and having them satisfied,” she stated. Her academic counselor writes, “Bridgett is an excellent student with a clear vision of what she wants for her future.”

ZACHARY MARKOW

Zachary, son of member Jeff Markow, CGCS, is currently attending Cal Poly College SLO, where he is studying to be a Mechanical Engineer. Zachary has a passion for problem-solving and working with his hands. His overall academic goal is to get a Master's at either UCLA or Stanford. During the summers he has worked as a greenskeeper at Cypress Point Golf Course. There he has learned a passion for working outdoors, the need for a superior work ethic to be successful, and discovered the wonderful friendships that can be developed on a golf course maintenance team. His career goal is to be employed in the research and development of an automotive company to improve on engine systems. Zachary says that, "I believe I can improve the efficiency of automotive engines while also cutting down on emissions and lessening the overall environmental impact of all automobiles."

ALISON ADAM

Allison, daughter of member Stan Adam, is currently studying Communication Studies at UCLA. She chose to pursue her passion of writing and conveying her ideas and thoughts via this major. Alison was an Editorial Intern at Style Media Group where she wrote copyedited monthly columns for three regional magazines and coordinated with advertisers to promote these publications. She writes that she is a "people person" and thrives on constant communication. Her goal is to work in the public relations field, the entertainment industry, or perhaps magazine publications.

Fall aerification is here! Order your dry sand early for best availability.

We have colored sand or divot mix, available in bulk or bulk totes! Colored sand or divot mix not only looks better, but will hold more heat than ordinary sand, helping to increase germination rates. Call today for more info!

Stock up on your favorite top dressing sand ahead of time. Whether you use washed sand or one of the many dry sand options we offer, the typically great weather this time of year means there is little concern of rain & weather related contamination.

TMT Enterprises is now your exclusive supplier of TD-320 top dressing sand & BB-205 Bunker Sand. Quality & availability are better than ever!

Bunkers are the most frequent source of complaints on any golf course. With the widest selection of bunker sand of any supplier in California, we have materials that will meet your member's needs for play & aesthetics. From Idaho BB bunker sand to Monterey's PB bunker sand, our own TMT White Bunker Sand, G8, #3, or even a custom blend, you name it!

Clifford & Myrtle Wagoner Scholarship & Research Tournament

On July 1 we held our sixth annual Clifford & Myrtle Wagoner Scholarship & Research Tournament at the beautiful Alister Mackenzie Claremont Country Club. Our hosts, Josh Clevenger and Randy Gai CGCS, had the golf course in impeccable condition and provided an amazing venue for this event. Again our members broke records by raising over \$25,000 for the GCSANC scholarship and research programs. The staff at Claremont Country Club served us a wonderful meal with special refreshment on the first tee which made the warm beautiful day even more enjoyable. Our thanks go out to Josh, Randy, their team at Claremont Country Club and our sponsors for making this such a fun and successful event.
