Remember the name because you’re going to hear a lot about it. 0217® Brand Fylking Kentucky bluegrass lawn is something special. It forms a dense, thick turf, more disease and drought resistant. Greens up earlier, stays greener longer. Fylking can be cut low as 1/4 inch, even 1/8 inch for home putting greens. Proven over many years of international certified testing. Ask your seed distributor for Fylking.
