ment and ways smaller landscape contractors can successfully compete with larger companies in the ’90s.

ALCA’s presentations feature customer service, cost management, marketing, and how to successfully begin a design/build business.

Keynote speakers for Expo ’93 are Ty Boyd, well-known motivational speaker and author, and John and Greg Rice, co-founders of Think Big, Inc. Boyd will focus on how to face the challenges of the ’90s without compromising personal ethics. The Rice brothers will cover creative problem solving.

The PLCAA benefit auction again features a variety of products from green industry suppliers.

ALCA’s “Breakfast of Champions” sessions will be held each morning of the exposition. Discussion topics include selling maintenance services: client relations; and ways to get a new business off the ground.

ALCA also features an all day, pre-conference seminar by Bob Whiting: “Hiring and Firing—Building a Strong Team.”

The popular annual outdoor equipment demonstration rounds out the show on the morning of Nov. 18.
