STMA says 'thanks for your support, LM'
This is a quick note to express my appreciation to you and all your staff for the support you have shown STMA over the years. I go back to the very beginning of the association, when you were "Weeds, Trees & Turf." I know we have gone through some personnel changes, but you people have always been supportive of our goals.

We have many successful programs in operation, but I think the one that will become the most significant is our certification program. Once we have that in place and operational, we will be able to offer a great and much needed service to the industry.

Thanks for the note, Mike. We appreciate STMA's concern for and dedication to improving athletic field management. LM plans to "stay in the game" with useful information for athletic field managers everywhere! —ed.

TurfGrass TRENDS a winner
Congratulations on acquiring TurfGrass TRENDS. TurfGrass TRENDS is the finest technical publication for turfgrass managers today. It has helped me understand and implement cutting-edge technology in my everyday management practices. I have been receiving LANDSCAPE MANAGEMENT for many years, and I know first-hand the high quality of material published in LANDSCAPE MANAGEMENT. I am sure you and your staff are up to the challenge in maintaining TurfGrass TRENDS' reputation. What would make me satisfied as a reader is to see little change in TurfGrass TRENDS.
