"We do twice the seeding with half the crew."

Landscapers, grounds managers and superintendents rave about the ATI Preseeder Tiller. Now you too can reduce labor and improve results for all types of landscape construction and renovation work.

One operator can easily turn a rough grade into a perfect seedbed every time. Use it to renovate lawns, turf, golf courses. Rake and level. Ideal for sports field maintenance. Fixed angle and pivoting models in two sizes.

TILL, LEVEL, AND RAKE IN ONE STEP

“We looked at other machines,” says one customer, “But none even comes close for versatility and tough construction.” Don’t settle for less. Call today for FREE color brochure.
