"I earn 78% more with a FINN HydroSeeder®"

Brian Kerber, The Lawn Firm, Excelsior, MN

"I bought my first hydromulching machine for price. But it's a toy compared to my new FINN HydroSeeder. I've easily doubled my production."

No other machine compares to a FINN HydroSeeder for high production and long trouble-free service life. You'll get faster loading, better coverage, longer spray distance, and more reliable performance. You can get a real HydroSeeder for as little as $149 a month. You'll soon know why the most successful contractors agree, "Nothing makes money like a FINN HydroSeeder." Call today.

PlanetAir Aerator

...with its patented planetary motion and unique coring tine design, relieves the hard pan effect. A soil-relieving tine is also available that truly aerates with no cleanup.

The 12 tines penetrate the earth to a depth of 4 inches with a span of 48 inches wide. The tractor's forward speed determines hole spacing, making the PlanetAir highly productive with low PTO horsepower requirement. Cleanup is minimal due to its pulverizing capability.
