STMA’s Certification Program

The Sports Turf Managers Association (STMA) is an organization of professionals representing all segments of the sports turf industry. Our members work to combine the science of growing turfgrasses and the art of maintaining sports turf to produce playing fields that are both safe and aesthetically pleasing.

STMA provides members with a variety of benefits, including: education through regional conferences and Field Days; support for sports turf research; facilities tours; a national awards program; access to the STMA National Conference & Exhibition; our Sports Turf Manager Newsletter; and MUCH more!

STMA Mission Statement:
“To become the leader in the sports turf industry, to enhance, promote and improve professionalism through excellence in communication, training, research, education and services.”
