H-2B Workers?
We Know The Territory.

Amigos Labor Solutions has been placing reliable, legal seasonal workers for more than 14 years.

One of the reasons for our success is that our recruiters stay in Mexico year round. Our clients never pay extra fees for "travel, food and lodging," and they don't have to bring large numbers of workers over to make it cost-effective. Amigos can bring as few as one or two workers at a time, at **NO extra cost.**

Call us first, call us last, but call us. When it comes to H-2B, Amigos knows the territory.

Ready to Get *into* Ponds?

Let us show you how to tap into the ever-increasing demand for custom built water features!

Join the Revolution

We keep it simple...

20 components, 20 steps. Since the Pro Pond ecosystem is simple to understand and easy to install, you'll keep the expenses low and the bottom line high. And because our system components are designed to work in harmony, just like nature, you can be assured of a smooth installation every time.

We not only sell pond kits...

but also the tools and training you need to build your pond building prowess. So we help you cultivate continued success with magazines targeted for you and your customers; business and pond-building seminars; training and sales videos, books and guides; and an information-packed web site at your disposal 24/7. Everything you need to help your customers make informed decisions (*and to help you close the sale!*)

Call us today and dive in!
