ZAMBEZIA

The publication of *Zambezia*, a bi-annual journal of the University of Zimbabwe, has been made possible by the generous support of the Publications Committee of the University. The focus of the journal is humanities in Zimbabwe and the surrounding region but special articles of a more general interest are also published. Monograph Supplements to *Zambezia* cover the main disciplines of the University, and do not necessarily have the same regional focus as *Zambezia* itself.
