# SHOOT SAFE BUDDY!

BOYS! SHOW THIS MESSAGE TO YOUR PARENTS!

You'll never see a real outdoorsman  aim or shoot his rifle at anything but a safe, proper target . . . he handles his firearms  with care and respect. Your Daisy  is made for fun shooting. It is not a lethal weapon but . . . like a knife,  or auto it may cause damage if handled carelessly. So do not aim or shoot at windows, street lights, song-birds,  pets, property or any other person . . . ever! Remember,  carelessness causes accidents to millions of Americans every year in cars, homes  factories. So . . . if you are careless with  your Daisy or abuse the privilege of owning one . . . your parents,  guardian  or police  have the right to take it from you . . . and  should! Don't let this happen. Be careful. Aim and shoot safe, Buddy!

**MEMORIZE THE SHOOTER'S SAFETY PLEDGE!**  
*I pledge myself to PROTECT animals, property and people in my community by always aiming and shooting my Daisy safely!*

**SAFETY TIPS**

**BICYCLE SAFELY...**  
 Careless bicycling may cause accidents! Always ride single file. Never "hitch on" to car or truck. Follow all traffic signs, rules. Avoid ruts. Ride close to right edge of road. Use hand signals for turns, stops.

**ROLLER SKATE SAFELY...**  
 Avoid roller skating accidents by being careful. Always skate on sidewalk. Come to stop at curbs. Cross streets at corners only. Do not "hitch" on to bicyclists. Cross small cracks at right angles.

**DRIVE SAFELY...**  
 An average of more than ONE MILLION children, women, men are injured every year in traffic accidents! Think that over, Eddy! Decide now that when you are old enough to get your driver's license—and after you get it—you will remember and follow the safety-driving rules you learned.

**CROSS STREETS SAFELY...**  
 Always stop at curb, look right and left to see if street is clear. Cross streets only at corners. Obey signal lights. Remember, an auto moves faster than you can run. And don't run . . . walk!

**AND SHOOT SAFE BUDDY!**

# HARD LUCK

# HOGAN

AFTER A WINTER OF FAILURE PROSPECTING FOR GOLD IN ALASKA, "HARD LUCK" HOGAN FACED THE SPRING OF 1888. HE WAS ALMOST PENNILESS...

MY LAST PACKAGE OF BEANS... THEN WHAT'LL I DO?

OF ALL THE ROTTEN LUCK! GARDEN SEEDS INSTEAD OF BEANS!

WELL, THAT SETTLES IT! IF I CAN'T RAISE ANOTHER GRUBSTAKE, I'M THROUGH UP HERE.

IT WASN'T YOUR FAULT ABOUT THAT PACKAGE OF BEANS. FORGET IT! BUT I'M REALLY FLAT NOW.

YOU'VE SURE HAD HARD LUCK, HOGAN. TELL YOU WHAT — I'LL STAKE YOU MYSELF THIS TIME!

AFTER A MONTH'S FUTILE PROSPECTING, HOGAN RETURNED FOR SOME TOOLS...

WELL I'LL BE JIGGERED! THOSE SEEDS...

THEY SPROUTED WHERE I TOSSED THEM A MONTH AGO! NO MORE FOOD WORRIES NOW!

SOON...

NOW I'VE GOT TO PRESERVE THESE SOMEHOW FOR THE WINTER... I KNOW! I'LL BOIL 'EM ALL TOGETHER AND MAKE SASS.

HOW ABOUT SELLING SOME OF YOUR SASS FOR GOLD DUST, HOGAN?

DIDN'T KNOW YOU COULD GROW VEGETABLES WAY UP HERE!

BY THE FOLLOWING YEAR...

NO MORE HARD LUCK FOR YOU, HOGAN... YOU'VE GOT QUITE A BUSINESS HERE!

YES, IT SURE WAS A LUCKY BREAK FOR ME THERE WEREN'T BEANS IN THAT PACKAGE LAST YEAR!

"HARD LUCK" HOGAN EARNED MORE GOLD DUST THAT WAY THAN HE EVER MINED! AND SOON OTHER PROSPECTORS FOLLOWED HIS EXAMPLE, OPENING UP FERTILE ALASKA TO COMMERCIAL FARMING!

# UNDERSEA BOMBERS

COMMANDER DRAPER L. KAUFFMAN, U.S.N.R.

PAVING THE WAY FOR THE INVASION TROOPS WERE THE DARING EXPLOITS OF THE "FIN BOYS" OF THE UNDERWATER DEMOLITION TEAMS. FOR WAR'S DURATION A TOP SECRET, THE STORY OF THESE COURAGEOUS VOLUNTEERS CAN NOW BE TOLD.

A GROUP OF SLIGHTLY MYSTIFIED MEN GATHERED AROUND LT. COM. DRAPER L. KAUFFMAN AT FORT PIERCE, FLA., IN EARLY SUMMER, 1943.

YOU'RE GOOD SWIMMERS, OR YOU WOULDN'T BE HERE. BUT YOU'LL NEED EVEN GREATER STRENGTH AND ENDURANCE FOR THE JOB AHEAD. THESE FINN WILL HELP. NOW GET INTO YOUR TRUNKS.

SORT OF A ROUGH... COURSE...

TOMORROW WE'LL START THEM WORKING UNDER WATER - AND UNDER BATTLE CONDITIONS.

WHAT ARE THEY TRYING TO DO, SHAVE OFF OUR CREW CUT?

THEN KAUFFMAN TAUGHT THEM TO WIRE DEMOLITION CHARGES.

YOU'LL SWIM IN FIRST-AHEAD OF INVASION TROOPS. PLACE YOUR CHARGES PROPERLY, AND UNDERWATER BARRIERS WILL GO UP IN SMOKE. IF YOU DON'T...

TRAINING COMPLETED, THE FIN BOYS SAILED FOR ENGLAND.

ENGLAND NEXT STOP, AND THEN... WELL, WE DON'T HAVE TO VOLUNTEER!

I'M NOT LOOKING FORWARD TO THE KRAUTS' BEACH DEFENSE. REMEMBER CIEPPE?

D-DAY! OMAHA BEACH, NORMANDY...

FIFTY YARDS OF THIS DEATH-TRAP WIRE. OH! I'M HIT!

EASY NOW! I'LL HELP YOU BACK.

THE JOB WAS FINISHED IN A MATTER OF MINUTES, BUT ONLY HALF OF THE SWIMMERS SURVIVED.

WE DID IT, GANG. THE LANDING SHIPS ARE GOING IN.

BUT THERE WAS NO PUBLIC GLORY FOR THE DEMOLITION TEAMS. THESE SECRET HEROES WERE PREPARING FOR THEIR NEXT MISSIONS - IN THE PACIFIC!

A FEW DAYS LATER, OFF THE STRATEGIC JAP-HELD ISLAND, SAIPAN, 200 SWIMMING FIGHTERS PREPARED FOR A PERILOUS MISSION.

THIS ALUMINUM CAMOUFLAGE PAINT OUGHT TO CONFUSE THE NIPS.

YES, SOMEWHAT. BUT OUR JOB IS TO MEASURE DEPTH EVERY TWENTY-FIVE YARDS FOR ABOUT A MILE IN AND THAT TAKES TIME. DON'T COUNT TOO HEAVILY ON THE PAINT.

KEEP MOVING, THE JAPS ARE GETTING OUR RANGE.

WE'RE DONE. LET'S GET OUT OF HERE - FAST!

MEANWHILE, AT THE ISLAND'S JAP HEADQUARTERS...

AMERICANS LEAVING - NOTIFY HEADQUARTERS WE STOPPED A GREAT INVASION.

THAT NIGHT, A FEW MILES OUT TO SEA...

THIS IS THE ONLY ROUTE TANKS CAN USE TO REACH LAND.

GOOD, KAUFFMAN. NOW, GET SOME REST. YOU'VE GOT ANOTHER JOB TOMORROW.

FROM SAIPAN THE SWIMMING TERRORS MOVED TO GUAM, WHERE LATE IN JULY THEY BLASTED JAP-MADE OBSTACLES FOR FOUR DAYS AND NIGHTS.

THAT MAKES A THOUSAND JAPS BLOWN UP OR I'LL EAT MY FINS.

YES, BUT WE'D BE SUNK IF THE JAPS JUST PLANTED A FEW ANTI-PERSONNEL MINES.

BUT FOR SOME UNKNOWN REASON THE JAPS NEVER DID. THE BRAVE TEAMS PROVED INVALUABLE IN THE INVASIONS OF PALAU, LEYTE, AND IN 1945 OF IWO JIMA AND OKINAWA.

ONE DAY...

**NOTICE**

COMMANDER DRAPER L. KAUFFMAN, U. S. N. R., HAS BEEN APPOINTED CHIEF OF STAFF TO THE COMMANDER OF UNDERWATER DEMOLITION TEAMS, PACIFIC.

LOOKS LIKE WE'LL BE SWIMMING TO JAPAN HERSELF ONE OF THESE DAYS.

COMDR. DRAPER L. KAUFFMAN

VICTORY, VICTORY...

BUT AFTER AMERICA DROPPED TWO ATOM BOMBS JAPAN SURRENDERED ON AUGUST 14, 1945.

FINS AWAY, BOYS. WE'RE GOING HOME!

FROM NORMANDY TO OKINAWA, THE UNDERWATER DEMOLITION TEAMS WROTE A GLORIOUS RECORD. AND IF A JAPANESE INVASION HAD BEEN NECESSARY, YOU CAN BE SURE THAT THE FINS WOULD HAVE PADDED THEIR WAY RIGHT INTO TOKYO BAY!

I LIKE YOUR IDEAS ON POWER RATES, LILIENTHAL. WOULD YOU LIKE TO JOIN THE PUBLIC SERVICE COMMISSION?

HE ACCEPTED THE POST AND CONTINUED HIS FIGHT FOR LOWER ELECTRICITY RATES.

THIS FARMER LIVES NEXT TO A POWER PLANT, BUT ELECTRICITY COSTS TOO MUCH FOR HIM.

LILIENTHAL PREPARED A PLAN FOR THE ATOM'S USE AND CONTROL.

THE PLAN PROPOSES THAT ATOMIC ENERGY SHOULD BE USED TO HELP MANKIND.

WHEN WAR CAME, THE TVA REGION TURNED ITS INDUSTRIAL POWER INTO A HUGE ARSENAL. THE ATOM BOMB, PRODUCED AT OAK RIDGE, TENNESSEE, BURST OPEN A NEW ERA.

PRESIDENT TRUMAN APPOINTED HIM CHAIRMAN OF THE U.S. ATOMIC ENERGY COMMISSION. BUT OPPOSITION AROSE IN CONGRESS.

HE'S TOO SOFT WITH THE LEFT-WINGERS.

FALSE ACCUSATIONS WERE HURLED AT LILIENTHAL WHICH HE EMPHATICALLY DENIED. WHEN ASKED WHAT HE BELIEVED IN, HE DELIVERED HIS FAMOUS CREDO.

I DEEPLY BELIEVE IN THE CAPACITY OF DEMOCRACY...

MORE PEOPLE PLAY BILLIARDS THAN ANY OTHER GAME IN THE WORLD! MANY CENTURIES AGO, BILLIARDS WAS PLAYED ON THE FLOOR, THE PLAYERS SHOOTING THE BALL AROUND THE ROOM. LATER RAILINGS WERE BUILT TO CONFINE PLAY TO A LIMITED SPACE, AND EVENTUALLY THE GAME WAS 'LIFTED' TO A TABLE PASTIME.

NIGHT BASEBALL IS NOT A RECENT INNOVATION. THE FIRST NIGHT GAME WAS PLAYED FIFTY-TWO YEARS AGO AT FORT WAYNE, INDIANA. DURING THAT GAME, EACH SIDE MADE A DOZEN ERRORS!

THE JOCKEY'S PRINCIPAL WORRY IS HIS WEIGHT, WHICH MUST BE WITHIN THE LIMITS SET FOR THE RACE. MANY TIMES HE MUST "SWEAT OFF" HIS EXCESS POUNDS IN A SWEATING CHAMBER. IF HE IS TOO LIGHT HE IS FORCED TO EAT UNTIL HE TIPS THE SCALE AT THE CORRECT WEIGHT. AVERAGE WEIGHT OF MOST JOCKEYS IS ABOUT 112 POUNDS.

# TRUE'S NEWS FROM HOLLYWOOD

Patricia Morison, who plays the huntress in RKO's **TARZAN AND THE HUNTRESS**, tells us why Tarzan's pet chimp is called Cheeta. "He cheats!" says Patricia. "He always manages to put on a little act not in the script—and certainly not in his trainer's orders. Cheeta's a real comic who knows how to steal every scene."

There was a blizzard the night the New York movie critics had to see **IT HAPPENED ON FIFTH AVENUE**, first Allied Artists release distributed by Monogram. But the critics didn't mind, because they were picked up and carried to the theater in style via the world-famous Fifth Avenue buses. Later, three of these buses traveled all across the country, advertising the film, and everyone got a chance to see what a double-decker bus looks like. There was a huge celebration when the buses reached Los Angeles, because no one believed that the drivers would know where to drive, once they got off Fifth Avenue!

In the movie **DEAR RUTH**, William Holden is supposed to send Joan Caulfield hundreds of bouquets of lilacs. Well, lilacs just don't grow in Southern California at any time, and it was the wrong time of year to get them anywhere else in the country. Paramount's prop man had to import them from Mexico.

George Emerson and Ralph Stockman weren't listed as the stars of MGM's **THE YEARLING**, but they might well have been. These two men were responsible for recruiting the animal talent in the film, and training them to act. The featured animals in **THE YEARLING** included 4 bears, 26 white-tailed deer, 12 raccoons, 13 hound dogs, 17 buz-

zards, 6 rattlesnakes, 4 fawns, an alligator and a miscellaneous group of doves, owls, squirrels, pigs, cows, horses, chickens and goats. The most important factors in getting exceptional animal scenes, Emerson and Stockman will tell you, are kindness, patience, and a feeling for animal psychology. The animals are encouraged to follow simple commands in much the same way puppies are trained, and are rewarded by choice tidbits of food. Another interesting angle on shooting animal scenes in **THE YEARLING** is the fact that "stand-ins" were used for a great many of the animals.

When you see Columbia's **THREE WERE THOROUGH-BREDS**, you'll see the entire population of Tubac. How come? Well, all 35 inhabitants of Tubac, which is 40 miles south of Tucson, were hired for the movie when extras were needed during the shooting of the picture near that 300-year-old adobe town.

Walter Hoffman, the "dean of dynamite men" had his biggest job during the filming of the Cecil B. DeMille epic, **UNCONQUERED**. This is the Paramount picture which celebrates DeMille's (and Hoffman's) thirty-fifth year in the movies. For the siege in **UNCONQUERED**, Hoffman and his men used 1,500 arrows without flames, 500 arrows with flaming points, 300 fireballs and 50 flintlocks. The fireballs were made of dried moss wrapped in birch bark and dipped in kerosene. Stationed at the master control board, Hoffman set off 500 pounds of black powder, 300 pounds of dynamite and 50 pounds of flash powder. A wire-battery arrangement exploded bombs buried in the earth to add smoke, dust and noise to the battle confusion.

One of the scenes in Universal-

International's **THE EGG AND I** takes place at a county fair. Many of the prize Herefords shown in the livestock pavilion belong to Hollywood personalities who are ranchers on the side, among them Joel McCrea, Vic McLaglen, Jack Haley, Walter Brennan, Bing Crosby, and Bob Burns. Claudette Colbert and Fred MacMurray ran a real chicken farm for the picture, and the eggs were sold by the Famous Farmer's Market for one dollar a dozen, for the benefit of the Braille Institute of America, suppliers of books for the blind.

One of the big scenes in United Artists' **THE SIN OF HAROLD DIDDLEBOCK** shows Harold Lloyd dangling in mid-air from a New York City skyscraper. When it came time to shoot this rib-tickling episode, the director had to hire 150 extras to stand in the street below and look up, because New Yorkers are so used to strange sights that no crowd collected when the cameraman was ready to shoot!

**MIRACLE ON 34TH STREET** was made by Twentieth Century-Fox in New York City, and most of it was filmed in Macy's Department Store—largest in the world. The shooting was done around Christmas time. Cameras were set up before the store opened in the morning and shooting began as soon as enough customers arrived to fill the screen. As soon as the crowds of shoppers became too large, the company moved to other parts of the store. Back at the studio, some of these settings had to be duplicated for close-ups, and Santa Claus's throne was copied exactly as it had been set up in the store. Jack Straus, head of Macy's, was fascinated by this set and spent one whole morning looking for mistakes, but couldn't find a single one! One of the problems the prop man had to face was getting 5,000 authentic looking Santa Claus letters, which were an important part of the plot. 50,000 letters were used in one scene, but only 5,000 had to look real. Three men addressed letters to Santa Claus for almost a week, after which the letters were stamped and taken to the New York Post Office for cancellation.

JET-PROPULSION  
WORKS

DEPUTY U.S. ROYAL STREAKS TO A STOP ON HIS JET PROPELLED BIKE...

HI, FELLAS!

WOW! WHAT SPEED!

GOSH, U.S. -- HOW DOES THAT JET ENGINE WORK?

IT'S EASY, BOYS... REMEMBER NEWTON'S THIRD LAW OF MOTION: EVERY ACTION PRODUCES A RE-ACTION.

AS THE AIR SHOOTS OUT OF THIS BALLOON IN ONE DIRECTION, THE REACTION PUSHES IT IN THE OPPOSITE DIRECTION.

AIR

KEROSENE VAPOR

COMBUSTION CHAMBER

COMPRESSOR

"AND HERE - TO PUT IT SIMPLY - IS HOW A JET ENGINE WORKS. AT THE FRONT END, A COMPRESSOR... A SORT OF FAN... FORCES AIR INTO A COMBUSTION CHAMBER, WHERE KEROSENE VAPOR IS MIXED WITH IT."

WHEN A SPARK STARTS THE VAPOR AND AIR BURNING, IT EXPANDS RAPIDLY ... SHOOTING OUT THE BACK AND DRIVING THE ENGINE FORWARD.

SPARK

EXPANDING GASES

JET

BUT WHAT TURNS THE FAN UP FRONT?

SHAFT

TURBINE

JET

"AH, THAT'S THE TRICKY PART! ON THE WAY OUT, THE "JET" OF EXPANDING GASES TURNS A TURBINE... ANOTHER SORT OF FAN. AND THE TURBINE TURNS A SHAFT THAT TURNS THE COMPRESSOR."

"UNCLE SAM'S NEWEST FIGHTING PLANES ARE JET-POWERED... RACE ALONG AT 500-600 MILES PER HOUR!"

GEE, U.S. ... THAT'S WHY I ALWAYS INSIST ON U.S. ROYAL BIKE TIRES.
